## Balinese Hindu Wedding Blessing, Movie star celebrity style, million dollar location

Location: beach front pool garden

**A Balinese wedding on the edge of the ocean with an endless sea-scape and a back drop of mountains and verdant rice terraces.**

We recommend another one, a Balinese Hindu wedding blessing. Although it is not mandatory, it is a beautiful traditional celebration that adds local flavor and invokes good wishes on the occasion from all of us here on the “island of Gods”

This ceremony is as both witness and purification. Witness to the community, Gods and evil; and purified couple’s fertilization. Hopefully by having this, they long life in happiness and given excellent kids.

Ceremony begins with priest himself prior to lead the ceremony, followed by channeling session to the God, evil, and couple’s ancestors as witnesses, purify and bless the newly wedding couple.
